SPECIAL FEATURES

Designed and approved by a certified Cardiologist and a Physician Assistant.

Extra-deep, patented "Oscillating Soundwave Bell" uniquely graded to perfectly amplify sound and deliver clear, rich acoustics.

"Easy Touch" ultra sensitive multi-tiered membrane for maximal sound amplification and minimal contact between the diaphragm and patient.

Blue ribbing thread within the chestpiece to lock sound in within the recessed acoustic chambers for unbelievable reverberance.

Cardiology Style with Y-tubing, equipped with non-chill diaphragm rims, and available in five colors: Black, Navy Blue, Hunter Green, Burgundy, and Orange.

"Easy Fit" soft and flexible eartips that snap on and off with ease to provide ultimate comfort and reduce extraneous noise.

Industry-leading LIFETIME WARRANTY on metal parts and 5-year warranty on all other parts.

The eGM Delphi Cardiology Stethoscope retails for **\$189.99**. However, we are offering special incentive deals and coupons that provide up to 60% off.

FOR INDIVIDUAL USERS

Medical professionals can purchase their eGM Delphi Cardiology Stethoscopes at a discount of 50% off the retail price. In addition, bulk orders of 50 or more will receive a 60% discount off the retail price. This is a limited time offer.

Ordering can be done online at <http://products.egeneralmedical.com/delphi>. Select the number of eGM Delphi Cardiology Stethoscopes you wish to purchase and enter one of the following coupon codes to receive your discount:

- For quantities of fewer than 50, use coupon code **Delphi** to receive your 50% discount.
- For quantities of 50 or more, use coupon code **DelphiBulk** to receive your 60% discount.

FOR RETAILERS / RESELLERS

We can conduct demonstrations, provide the necessary information, and answer any questions that arise. By simply setting up a retailer account, you will begin to accrue profits from your sales of the eGM Delphi Cardiology Stethoscope almost immediately, with no investment necessary.

After you establish an account, we'll send you high-resolution images and text to put in your database. Best of all, with no need to carry the eGM Delphi Cardiology Stethoscopes in stock, you pay only when purchases are made, which guarantees you the best profit margin every time. As an added bonus, we offer FREE, same-day shipping on all domestic drop-shipped orders.

It's more than you'd expect. By combining the knowledge and experience of a certified Cardiologist and a Physician Assistant, eGM now offers the Delphi Cardiology stethoscope. A stethoscope that takes the lead in quality and innovative design. With our patented Oscillating Sound-wave technology, we now offer the best in acoustics, along with a Lifetime Warranty.
